ABSTRACT

Alumni association in conjunction with department of oral and maxillofacial surgery conducted a annual alumni meet. A talk on **cleft lip and palate** was delivered by the alumni of 2012-15 batch **Dr. Amit Basannavar** . All the staff, post graduates of department of OMFS and the alumni of department actively participated adding upto a total number of 30 participants. Attendance Certificates were awarded to all the participants. Presenter certificate was also awarded to the speaker. The program was a grand success and we look forward to conduct it every year. This talk sheds light on the advantages of incorporating the newer techniques in management of cleft lip and palate.

The talk also highlighted about the peri operative management of cleft patients and follow up
