## **REPORT**

The Department of Research and Publications has conducted a CDE programme titled” **A SCIENTIFIC EXPEDITION: RESEARCH TO PUBLICATIONS** “on 23-2-24. The guest speakers for the CDE were DR. SMITHA T. from Vokkaligara sangha dental college & Hospital, DR. PRAVEEN BIRUR from KLE Institute of Dental sciences and hospital and DR. SHRUTHI R. Rajarajeswari dental college &Hospital, Bangalore

The lectures were presented to enlighten the audience about the role of scientific research and publications in academics and clinical practice

.

All the faculty, post graduates, interns and the alumni actively participated adding up to a total number of 126 participants. Attendance Certificates were awarded to all participants. Appreciation certificate was awarded to the speakers. The program was very informative with good interactive sessions. We aspire and look forward for an opportunity include topics of various importance.
