

RAJARAJESWARI DENTAL COLLEGE & HOSPITAL

International Oral & Maxillofacial Surgeons Day Celebrations - 2024

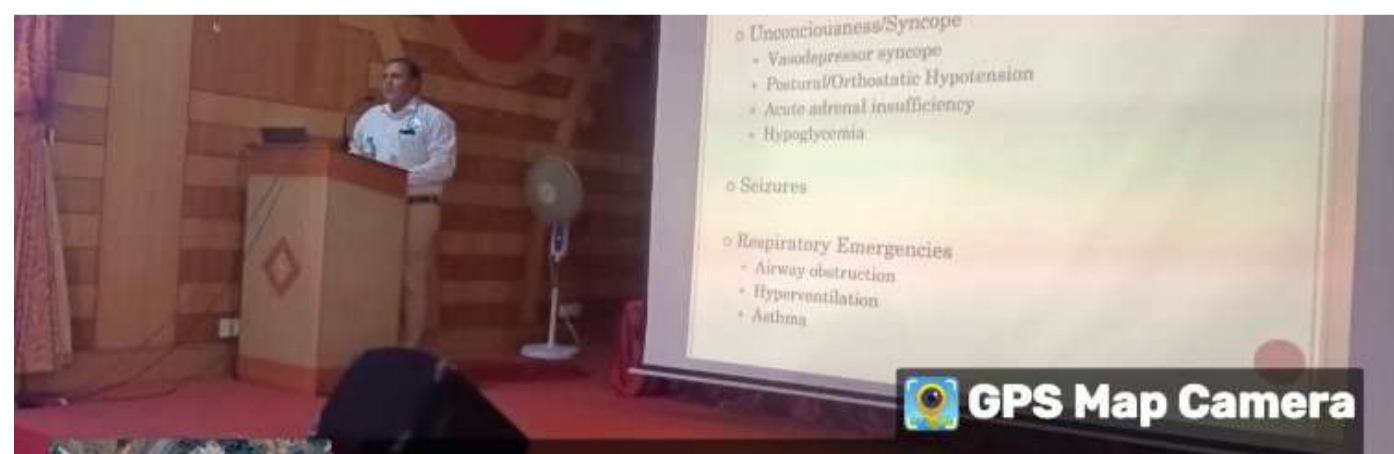

International Oral and Maxillofacial Surgeons Day is an annual event dedicated to recognizing the invaluable contributions of oral and maxillofacial surgeons worldwide. Held on the 13th of February, to commemorate the first meeting of AOMSI held on this date in the year 1969. This day serves as an opportunity to honor the expertise, dedication, and advancements made in the field of oral and maxillofacial surgery.

A creative awareness program took place in the form of a flash mob.

This flash mob educated the spectators about the crucial role of oral and maxillofacial surgeons in restoring health, function, and confidence to those in need.

Guest lectures

Dr Srinidhi D, enlightened the gathering on “Medical emergencies in dental practice”

Dr Madhu YC explained the importance of “Early diagnosis and prevention of oral cancer”

Pledge - Road safety awareness

The importance of road safety awareness was highlighted followed by oath taking explaining the duties of commuter.

Alumni meet

Esteemed alumni from our department were welcomed, who graced us with their presence and shared invaluable insights from their experiences in the field. Their presence added a sense of nostalgia and inspiration, reminding us of the enduring impact of our department's legacy.

To foster a spirit of learning & camaraderie, various competitions were organised for students, post graduates staff members

Build the face - Jigsaw puzzle

An intriguing challenge for staff members was assembling puzzle pieces to recreate a face highlighting the importance of precision and attention.

Stitch to heal- Suturing competition

Bengaluru, Karnataka, India

A hands on competition was held for students to showcase their surgical skills and precision in suturing techniques

Tickle your taste buds- Hogathon

Non teaching staffs participated in an exhilarating eating competition. This event not only provided a platform for friendly competition but also celebrated the joy of good food and camaraderie among colleague.

Max Fac Trivia - Brain Buzz

A stimulating quiz competition designed to test the knowledge & expertise of participants in the field of OMFS, encouraging learning & friendly competition among students & staffs.

Reeloscopy - Reels making competition

“Reeloscopy,” a captivating reels competition for students. The event provided a unique glimpse into a day in the Oral Surgery Department, showcasing the intricacies and challenges faced by surgeons in this specialized field. Participants creatively depicted various aspects of oral and maxillofacial surgery through short video reels, highlighting surgical procedures, patient care, and the interdisciplinary nature of the profession.

Art Surge - A T shirt painting competition

Students participated in a creative endeavour to raise awareness about road safety, expressing their artistic talents through vibrant designs and messages on T shirts

These competitions not only provided an avenue for skill development and expression but also fostered a sense of unity and collaboration among participants, enriching the overall celebration of International Oral and maxillofacial Surgeons Day
