

## **RESEARCH & GRANTS FOR UNDERGRADUATE DENTAL STUDENTS**

The Department of Oral and Maxillofacial Pathology & Microbiology at Rajarajeshwari Dental College successfully conducted a Continuing Dental Education (CDE) programme on **4th March 2025**. The session focused on "**Research & Grants for Undergraduate Dental Students**" and was delivered by **Dr. Lathadevi Chilgod**.

The event commenced with a **welcome address by the Principal, Dr. Girish HC**, followed by an address to the gathering by **Dean, Dr. Edwin Devdoss**. **Dr. Varsha VK** introduced the esteemed speaker, highlighting her expertise in the field of research and grant acquisition.

Dr. Lathadevi Chilgod provided insightful guidance on various research opportunities, funding sources, and methodologies for undergraduate dental students to pursue academic research effectively. The session was interactive and enriched with practical advice, encouraging students to engage in research-driven learning.

The event concluded with a **vote of thanks by the Head of the Department, Dr. Savita JK**, expressing gratitude to the speaker, faculty, and students for their enthusiastic participation. The programme was well-received, inspiring students to explore research opportunities in the field of dentistry.
